

VEX, plain finish in Greengold

LIGHT/SHADE collection

VEX

VEX and CAVE are the pendants to choose where multiple lights are required. Extremely versatile, they can be clustered together or individually suspended above a table as a single elegant down light. Their uniform look can be customized with colour to create a beautiful, unique and inviting space.

A versatile direct overhead light. VEX floods light outwards and is enhanced by choosing a lighter shade on the inside edge colour.
